## Administrative history / Biographical sketch

---

### Note

Henry Kalen was born January 20, 1928 in Winnipeg. He received a Bachelor of Architecture degree from the University of Manitoba in 1957 and began acquiring a reputation as a photographer working for several prominent architecture firms in Winnipeg. In 1960, he became a lecturer at the University of Manitoba's Faculty of Architecture and taught classes in photography. By 1970, Kalen's photographs had won several awards, been exhibited both nationally and internationally, and published in several books. As a commercial and architectural photographer, Kalen contributed to several magazines including Macleans, Enroute, Reader's Digest, The Winnipeg Tribune, Western Living, and Chatelaine. He also ran a stock photography business, Henry Kalen Ltd., and won several awards for his postcards. A book featuring Henry Kalen's photographs, *Henry Kalen's Winnipeg*, was published in 2000 and remained on best-seller lists for years. Another book, *Henry Kalen's Manitoba*, was published posthumously in 2008. Henry Kalen died in 2004.

### Custodial history

The University of Manitoba Archives & Special Collections acquired Henry Kalen's photographs in 2005 from his wife, Gloria Kalen.

## Scope and content

---

The Henry Kalen fonds is a veritable photographic A-Z of Manitoba culture, geography, architecture, and industry with a significant representation of western provinces and Ontario as well.

The Henry Kalen fonds has been organized into 3 categories comprising 28 series. The textual records (MSS 256) consist of reference questions and correspondence, biographical/miscellaneous material, books, and indexes. The photograph collection (PC 219) is comprised of prints of jobs, prints, small prints, postcard collection, postcards, black and white postcard collection, postcard album collection, album prints, slides by subject, slides of old Ontario/Saskatchewan/Montreal, etc., stock slides, slides by chronological order, miscellaneous slides, slides of large projects, largeformat transparencies, negatives, job files, architectural negatives, unnumbered job negative files, photographs of Henry Kalen's "One-Man Show" at the Winnipeg Art Gallery (1966), transparencies, negatives and miscellaneous slides, oversized prints, and oversized transparencies. In total, the photograph collection consists of 113,783 slides, 69,774 negatives, 13,125 transparencies, and 10,584 prints. The tape collection (TC 128) consists of 7 audio-cassettes.
